Your content should work while you sleep.

Most coaches' content doesn't even work while they're awake.

Here's how to fix that. 🧵

Posting without positioning is noise.

You need a signal, not more volume.

The algorithm rewards clarity. So do buyers.

One post that names their exact pain is worth 30 generic tips.

Stop teaching. Start diagnosing.

They want to feel seen, not educated.

Every caption has one job:

Make someone feel exposed, challenged, or seen.

If it does none of those, it won't convert.

Your CTA is the only thing that matters at the end.

Comment BRAND. Every single post.

Repetition trains both the algorithm and the audience.

Inbound clients pre-sold themselves.

Your content closed them before you ever spoke.

That's the system. Build it once. Let it run.
