Followers do not eventually buy.

1. Attention expires. Saves decay.
2. Scrolling is passive. Buying is active.
   Two different jobs.
3. A big audience is not a business.
4. Name the wound, not the demographic.
5. Price the cost of staying still.
6. End every post with a binary step.
   DM or skip. Book or close.
7. Your audience owes you nothing.

The algorithm likes you.
Your calendar does not.
