

buy" is the most
expensive wish.

2. A follower likes you.

A client trusts you
with a problem.

3. Liking your content

isn't the same as
needing your work.

4. Warm isn't ready.

Ready needs an offer,
not more nurture.

5. The path from fan to

client is an invitation,
not another post.

6. Audience is reach.

Customer base is the
one you ask, by name.

7. Stop counting saves.

Start counting people
you actually invited.

Followers are an audience. Clients are a decision.
