

QUIET RESULTS DON'T GROW.

1. Wins you don't show don't count.
2. The market measures what it sees.
3. Humble is invisible to a buyer.
4. Witnesses turn proof into pull.
5. A private win is a private business.
6. Results don't speak. You do.
7. Stage your proof, or stay quiet.

Receipts beat resumes every time.
