Likes are not leads.

Engagement is a mood reading.

Intent is a money reading.

A viral post with no DMs  
is a parade, not a pipeline.  
Reach without ask is just rent.

A like costs zero.

A DM costs identity.

Stop optimizing for what costs nothing.

## Four fake-intent signals that fool you:

- A viral post with zero DMs
- "Love this!" with no follow-up
- Saves that never come back
- Follows from peers, not buyers

Engagement: "I noticed you."

Intent: "I trust you enough to pay you."

One is applause. The other is a transaction.

This week:

1. Replace "Thoughts?" with a real ask.
2. Count DMs, calls, sales — not likes.
3. Chase ten DMs, not a million views.
