You're not a founder.

You're a firefighter.

And the fire is your business.

Every morning you react.

By noon, something's broken.

You call it busy. It's actually trapped.

"I'll systemize when I scale."

No. That's exactly why you can't scale.

Systems are how you scale, not what comes after.

Signs you're a firefighter, not a founder:

- Every client gets a custom process
- You're the only one who knows what's next
- Time off feels dangerous
- Growth means more chaos, not less

This week:

1. Pick the task you redo every week.
 2. Write the five steps. Save it.
 3. Next time, follow it instead of inventing it.
- That's how a firefighter becomes a founder.
