

more clients" is the
most expensive lie.

2. Saves climb.

DMs go quiet.

That isn't growth.

3. Every "so helpful"
is the polite way to
say I got it for free.

4. Education builds
consumers. Authority
builds clients.

5. Closed loops produce
applause. Open loops
produce appointments.

6. Name the gap before
you name the fix.

That's the whole shift.

7. Stop ending posts
with "try this." Try
"here's what I do."

Free value isn't generosity if it kills the sale.
